

## INDIAN EDUCATIONAL REVIEW

The *Indian Educational Review* is a bi-annual journal, brought out by the National Council of Educational Research and Training (NCERT), New Delhi. The journal publishes articles and researches on educational policies and practices and values material that is useful to practitioners in the contemporary times. The journal also provides a forum for teachers to share their experiences and concerns about schooling processes, curriculum, textbooks, teaching-learning and assessment practices.

The views expressed by individual authors are their own and do not necessarily reflect the policies of the NCERT, or the views of the editor.  
**©2025\*. Copyright of the articles published in the Journal will vest with the NCERT and requests for reproducing the material should be addressed to the Academic Editor.**

## GUIDELINES FOR AUTHORS

The articles received for publication in the IER are reviewed by one or more referees for their relevance, clarity, length and style. The opinion expressed in the IER does not necessarily reflect the opinions of the National Council of Educational Research and Training. The IER policy prohibits an author from submitting the same manuscript for concurrent consideration by any other publication.

Articles should be sent in English, typed in double space, on one side of A-4 paper with sufficient margins, to the Academic Editor IER, DER, National Council of Educational Research and Training, Sri Aurobindo Marg, New Delhi 110 016, Tel 26563980 (e-mail: indianeducationalreview.der@gmail.com). All finalised articles should be submitted both in Soft (floppy/CD) and Hard Copy format.

References should be listed at the end of the article, in alphabetical order, as follows:

LANIER, J. AND J. LITTLE. 1986. Research on teacher education. In M. WITTRICK (Ed.), *Handbook of Research on Teaching*, 3rd ed. Macmillan, New York.

NARAYAN, JAYANTHI AND M. AJIT. 1991. Development of skills in a mentally retarded child: The effect of home training. *Indian Educational Review*. vol. 28, No. 3. pp. 29-41.

Diagram or line drawings should be complete and supplied separately, numbered neatly for identification and their position in the text clearly indicated. Tables can be given as part of the text. Captions should be supplied wherever necessary.

In order to prepare the manuscripts, authors are requested to follow the directions in the Publication Manual of the American Psychological Association (1983, 3rd ed.). Specifically, the following points may be taken care of before the typescript is sent to the editorial office:

- Leave a margin of at least one inch on all sides of the paper.
- Double space everything, including references, footnotes, tables and figure captions.
- Type the title of the work, corresponding author's name, complete address, phone number, fax number on a separate page after the title page of the manuscript.
- An abstract of the paper in not more than 120 words should be sent with each manuscript.
- Authors may provide brief descriptions about themselves along with areas of their specialisations.

***The views expressed by individual authors are their own and do not necessarily reflect the policies of the NCERT, or the views of the editor.***
